ABOUT SIXTH INTERNATIONAL CONFERENCE ON RECENT TRENDS IN ENGINEERING, MANAGEMENT PHARMACY AND SCIENCE – SAGECON2K24

SIRT, Bhopal is organizing Sixth International Conference on Recent Trends in Engineering, Management Pharmacy and Science – SAGECON2K24. This conference aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Science, Engineering, Pharmacy and Management. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and interdisciplinary solutions adopted. Participants will develop a deep understanding of latest tools and technologies pertaining to latest topics and will get a chance to connect with other professionals in the field.

Mode of paper presentation will be HYBRID.

Topics of interest include (but not limited to):

Track1: Electronics, Computer and Electrical Engineering

- Artificial intelligence and machine learning
- Blockchain technology
- Internet of Things (IoT)
- High-Performance Computing
- Mobile and Ubiquitous Computing
- Network Security and Cryptography
- Knowledge Discovery and Data Mining
- 5G and 6G networks
- Wired and Wireless Communication
- Image, Signal and Natural Language processing
- VLSI
- Carbon nanotube field-effect transistor

- Smart Grid
- Wireless Power Transfer
- Energy Saving Lights
- Innovations in battery technology
- Robotics
- Any other relevant to the field

Track 2: Mechanical and Civil Engineering

- Experimental and Computational Design
- Thermal and Energy Engineering
- Materials and Manufacturing Science
- Industrial Engineering and Management
- Automobile design
- Kinematics and Synthesis of Mechanism
- Stress and Deformation Analysis
- Structural Engineering
- Geotechnical Engineering
- Construction technology and Management
- Transportation Engineering
- Sustainable Technologies for Environmental Management
- Hydraulics and Water Resource
- Any other relevant to the field

Track 3: Pharmacy

- Clinical and Applied Pharmacology
- Drug Discovery and Development
- Pharmaceutical Biotechnology
- Pharmaceutics
- Practices, development and innovation in pharmacy
- Any other relevant to the field
