SAGAR INSTITUTE OF RESEARCH AND TECHNOLOGY (SIRT), BHOPAL BEST PRACTICE 1, SPI

Title: Students Progression Index (SPI)

Objectives:

The Students Progression Index (SPI) is a comprehensive program developed for students from their first to final year, aimed at enhancing their professional skills. It offers a series of courses designed for each academic year, delivered by Training and Placement (T&P) trainers. Upon completing a course, students undergo assessments. The primary objectives of SPI include:

1. Improving communication and presentation skills.
2. Enhancing the english listening, reading and speaking skill set, necessary for professionals.
3. Bridging the skill gap between the institute and the industry.

Context :

The bulk of students come from rural backgrounds, often lacking the communication proficiency, confidence and competence necessary for today's competitive job market. Securing employment immediately following their degree is a priority for most of the students. Institute has focus on such students. In addition to delivering high-quality education, the Institute strives to equip students not just for job placement but also for sustained professional advancement. Its vision is to ready students for the global scenario and cultivate international competency.

To achieve this, the Institute has developed the Students Progression Index (SPI) program. SPI aids students in identifying their strengths and areas for improvement, facilitating personal growth by evolving their mental models. It focuses on enhancing essential skills such as effective listening, reading, and speaking through regular training sessions and classes aimed at enhancement of professional skills.

Practice:

The institution has created a platform to boost the student employability skills and manifests consistent performance in their career. The Training and Placement Cell strives to translate their dreams into a reality and produces industry-ready candidates by offering various training modules right from the first year. The institution doing work for continuous placement preparatory includes language enhancement programme, quantitative aptitude

SAGAR INSTITUTE OF RESEARCH AND TECHNOLOGY (SIRT), BHOPAL BEST PRACTICE 1, SPI

programme, Life Skills. Students are trained in Soft Skills, Quantitative Reasoning, Verbal Aptitudes, Personal Grooming, Presentation Skills, Resume Writing, Personal Interviews and GD Techniques. This includes regular trainings/sessions/classes on the required skills.

This allows users to interact with content using both online and classroom-based environment. Following methodology is used. Through blended learning approach, participants can learn based on their own learning styles.

1. Classroom training
2. Hands on Lab
3. Online resources
4. Lecture-cum-discussion
5. Group Discussion
6. Management Games/Activities
7. Case Studies

To facilitate this, courses are designed and structured according to academic years. Pre-assessment and post-assessment tests are administered to evaluate students' competencies in specific domains. Pre-assessment determine students' proficiency levels prior to course instruction, while post-assessment measures their learning outcomes following course completion.

Following is training plan.

SPI Based Training Plan

1st Year	1 st Sem.	Zero Assessment LSRW (Basic Grammar Structure)

PD-Personality Development

SS- Soft Skills

CWCP- Company wise campus preparation

Evidence of Success:

Program relevant to professional enrichment proved to be successful, through the consistent rise in placements and the number of offers received by the students. The students are placed in many MNCs and IT companies like TCS, Capgemini, HCL, Wipro, Infosys, ByJus, Accenture, ICICI, Hexaware, Tech Mahindra, Upgrad, Walmart, PlanetSpark, Adani, Morgan Stanley, Jaro Education, Liugong, Concertrix, Kelp, DronaHQ and so on through on-campus and off-campus drives.

Module has helped the students to get placements even after they passed out. The confidence level and body language of the students has significantly enhanced. It has helped to enhance competitive environment amongst students. The practice has resulted in increasing the placements. The feedback received from the employers ensures the

SAGAR INSTITUTE OF RESEARCH AND TECHNOLOGY (SIRT), BHOPAL BEST PRACTICE 1, SPI

successful performance of students in their career.

Problems Encountered and Resources Required:

Many students come from villages and rural regions, often unsure of their own capabilities and potential. At first, they struggle with nervousness and uncertainty concerning their future prospects due to a lack of familiarity with test and interview preparation.

However, through intensive training and dedicated support right from the beginning, these mental barriers can be dismantled. With encouragement and expert guidance from faculty, mentors, and training facilitators, students can overcome their anxieties and actively engage in all programs, ultimately acquiring the necessary skills and confidence.

Following Challenges are encountered in SPI

- Due to socio-economic background of the students, the confidence level is low.
- Influence of mother tongue in communication.
- Difficulty in covering 100% students.
- Problem in execution as per the plan due to unavailability of sufficient time slots.
- Lack of highly skilled trainers for upgrading the students

Following resources required in SPI

- Sufficient skilled faculty
- Person for clerical work

Notes

SPI prepares students to

- ❖ Understand the requirements of effective reading, writing and speaking.
- ❖ Train students to become aware of their time management hence enabling them to make better allocation of time.
- ❖ To handle and manage changes and transitions
- ❖ Gaining ability to recognize causes and symptoms of problem and taking effective decision.
- ❖ Understand the requirements of a successful and impactful presentation
- ❖ Mind Set for Campus Preparation
- ❖ Develop interpersonal skills and be an effective goal-oriented team player

SAGAR INSTITUTE OF RESEARCH AND TECHNOLOGY (SIRT), BHOPAL BEST PRACTICE 1, SPI

- ❖ Know, comprehend and apply principles of team processes and group dynamics by working collaboratively in diverse teams to produce both written documents and presentations.
- ❖ Train students to become aware of their conflict resolution styles hence bring out creativity and other latent talents with proper goal setting so that self- esteem gets enhanced.

Introduction:

The institution has created a platform called **Student Progression Index (SPI)** to boost the student employability skills and manifests consistent performance in their career. SPI is designed for first to final year students to upgrade the professional skill. In this, different courses are designed for first to final year students. These courses are teaching by Training and Placement Cell (T&P) trainers. The T&P Cell strives to translate their dreams into a reality and produces industry-ready candidates by offering various training modules right from the first year. The SPI programme is designed and working for continuous placement preparatory which includes Language Enhancement programme, Quantitative Aptitude programme, Career Craft, Company Specific Training programme and Life Skills. Students goes under training in Soft Skills, Quantitative Reasoning, Verbal Aptitudes, Personal Grooming, Presentation Skills, Resume Writing, Personal Interviews and GD Techniques.

Objectives:

Following are the objectives of SPI.

1. To improve communication and presentation skill.
2. To enhance skill set required for professional development.
3. To bridge the skill gap between the institute and industry.

Title: SIRT Student Ambassador Council (SSAC)

Objectives:

SIRT Bhopal has initiated the SIRT Student Ambassador Council (SSAC) with the aim of developing a dynamic environment for students to develop problem-solving skills, draw inferences, and cultivate leadership qualities. The council is dedicated to organizing events and coordinating essential resources, thus facilitating the overall and holistic development of students.

Outlined below are the objectives of SSAC

- ❖ Facilitate the holistic development of students through a variety of engaging activities.
- ❖ Raise awareness among students about pressing current issues.
- ❖ Provide students with opportunities to pursue their interests and passions.
- ❖ Encourage students to showcase their diverse talents and abilities.

Context:

The Institute is dedicated to nurture students to develop managerial, academic, and leadership competencies, thereby enriching their employability and professional skills. In line with this vision, the SIRT Student Ambassador Council (SSAC) has been established to complement the academic curriculum through different cell and taskgroup of ideation, research, co-curricular, and extra-curricular activities. This is aimed to build social and personal growth among students, transforming them into multidimensional professionals. SSAC is designed to enhance students' proficiency across different domains, with active involvement.

Practice:

Under the guidance of academic members, students organize a variety of events, contributing their time and efforts to cultural events, ideation sessions, entrepreneurship programs, research initiatives, conferences, coding competitions, seminars, workshops, and NSS activities, among others. The holistic development of students is actively fostered by SIRT.

SSAC mentors diligently monitor and follow up with coordinators and members to ensure the smooth execution of all activities within the Institute. Regular meetings are conducted between faculty mentors and student teams, with mentors operating under the guidance of the convener and coordinator. They provide support and guidance to student coordinators and are tasked with

promoting and branding their respective activities. SSAC consist of numerous cells and task groups. They are given below

✓ **Student Activity cells (SAC)**

All cultural programs are organized under Student Activity cells (SAC). SAC has seven different clubs. These are

- ❖ Sports (Arjun) Club
- ❖ Art and Craft (Kalpana) club
- ❖ Photography (Chalchitra) club
- ❖ Dance & Dramatics (Manchan) club
- ❖ Personality Development (Utkarsh) club
- ❖ Music (Tarang) club
- ❖ Academic Booster (Shikhar) Club

✓ **Ideation taskgroup:**

Ideation taskgroup runs different drives on different times for call of different idea from faculty and students. Best ideas are selected and implemented.

✓ **National Social Service (NSS) cell:**

NSS at SIRT is formed to develop a sense of social responsibility and utilise knowledge in search of solutions to individual and community problems. Different programmes like teaching poor children, cloth collection and its donation, plantation, nukkad natak on social issues, keeping pots for birds in summer season, distributing diyas before diwali to poor children etc were organized under NSS. Students participate with full enthusiasm.

✓ **Entrepreneurship Development cell (EDC):**

The Entrepreneurship Development Cell (EDC) is a vital entity within academic institutions and organizations focused on nurturing entrepreneurial talents among students and promoting a culture of innovation and enterprise. Its primary objective is to inspire, educate, and support aspiring entrepreneurs in their journey towards creating successful ventures.

Students will be responsible for following tasks

Ambassadors will be responsible for creating events, promoting activities, and assisting in administrative work. They will encourage collaboration and synergy among departments for joint projects, events, and academic endeavors to enhance the overall institute experience. They will work towards timely resolutions of addresses concerns and issues raised by students or faculty within department; They will act as a central point of contact for information flow between the departments, facilitating effective communication and transparency.

Evidence of Success

The SIRT Student Ambassador Cell (SSAC) provides opportunities to students to demonstrate leadership quality. Ambassadors undertake responsibilities across various cells and task groups, contributing to a range of activities. Table 1 provides a summary of recent SSAC activities, which aims to enhance students' employability and social consciousness

Table 1

S.NO	DATE OF EVENT/ACTIVITY (DD-MM-YYYY)	NAME OF THE EVENT/ACTIVITY	NAME OF THE ORGANISING CELL/TASKGROUP
1	12 FEB 2024	TECHNOLOGY AND INNOVATION	IDEATION TASKGROUP
2	19-20 JAN 2024	IPR	R & D CELL
3	6 – 7 NOV. 2023	DIWALI CELEBRATION FOR POOR	NSS
4	4-5 NOV 2023	OPEN DONATION	NSS
5	11 OCT 2023	BEST OUT OF WASTE	IDEATION TASKGROUP
6	15 SEP 2023	GANESH IDOL MAKING	KALPANA CLUB

7	21 APRIL 2023	WORLD EARTH DAY	KALPANA CLUB
8	28 APRIL 2023	DEBATE	UTKARSH CLUB

Participation in SSAC activities has led to diverse outcomes for students, including placements in renowned companies such as TCS, Wipro, Infosys, Capgemini, HCL, and others. Additionally, some students have embarked on entrepreneurial ventures, while others have pursued higher education and engaged in research. These outcomes reflect the impact of SSAC in empowering students.

Problems Encountered and Resources Required

SSAC comprises of task groups operated by faculty and students. These entities are responsible for organizing various activities but are not directly part of the curriculum. Thus, several challenges arise. Main issues are given below.

- ❖ A primary difficulty lies in ensuring the growth of these programs without disrupting the normal classroom activities or the day-to-day teaching and learning processes within the department.
- ❖ Despite the diverse offerings, participation in routine events organized by SSAC tends to be low, posing a challenge to its impact.
- ❖ Students face constraints in making announcements as they are not permitted to do so during classes.
- ❖ Attempting to promote events during lunch hours presents a challenge due to the limited duration, resulting in less outreach and lower participation rates.

Resources Required

- ❖ Active and self-motivated students are required.
- ❖ Fund raising brains and groups are required.
- ❖ Faculty and branding team is required.

1 About Us

The Institute is committed to promote the holistic development of its students, encompassing skill enhancement, leadership qualities, problem-solving abilities, ethical conduct, and the cultivation of a positive personality etc. To achieve this goal, various initiatives have been implemented, aiming to sensitize students to pressing national and international issues such as environmental sustainability, human values, and professional ethics. One notable initiative is the establishment of the SIRT Student Ambassador Council (SSAC) on campus. SSAC focuses on development of skill development, leadership qualities, and overall knowledge enrichment among students. This initiative aims to instill specific skills that enhance professional ethics and employability, thereby adding value to students' academic journey. The Institute offers a range of opportunities through different cells and task groups customized to students' interests & inclinations. These include the Student Activity Cell (SAC), Ideation Task Group, National Social Service (NSS), and Entrepreneurship Development Cell, each supported by functional committees comprising faculty representatives from various departments, all dedicated to achieve their respective objectives. SSAC comprises of students members, with a structure consisting of a President, four Vice Presidents, and two Secretaries. SSAC members serve as Institute Student Representatives, playing a crucial role in fostering communication, collaboration, and unity within the diverse academic community. They act as connection among students, faculty, and administration across all departments,

facilitating a cohesive and supportive environment for organizing different activities.

1.1 Objectives:

- ❖ **Holistic development of students through activities**
- ❖ To organize events and arrange necessities to accomplish it
- ❖ This enables students to think in terms of problem solving, making inferences, and drawing conclusions.
- ❖ To inculcate leadership quality in students
- ❖ To sensitize students to the issues relevant to the current pressing concerns
- ❖ To promote social and personal development of the students and turn them into multidimensional professionals.
- ❖ To give opportunity to students to work according to their interests and inclinations
- ❖ To let the students demonstrate their diversified talents
- ❖ To give exposure to students to work individual and team member
- ❖ To inculcate moral and social obligations, rights, and responsibilities.
- ❖ To make ready the students for dynamics of real world.
- ❖ To promote civic, social and environmental engagement

BEST PRACTICE 2

SIRT Student Ambassador Council (SSAC)

Supporting Documents

1.2 Selection Procedure

Students have the opportunity to nominate themselves for various positions by filling out a Google form or a physical form. Following scrutiny, eligible candidates are chosen for interviews for their desired roles. The interview panel consists of the Cell Head, Faculty Coordinator, and members of the SSAC core committee, or a panel appointed by the director.

1.3 Eligibility

- ❖ Students must be enrolled at SIRT Bhopal .
- ❖ Nomination can be done by the student or through a nomination by the Head of the Department/Institute/Management Authority.
- ❖ Criteria include self-motivation, good academic standing, leadership qualities, excellent communication skills, marketing and networking skills, and experience with diverse populations

1.4 SSAC Member Responsibilities

- ❖ Collaborative Initiatives: Ambassadors are responsible for creating events, promoting activities, and assisting in administrative work. Encourages collaboration and synergy between departments for joint projects, events, and academic endeavors to enhance the overall institute experience.
- ❖ Problem Resolution: Addresses concerns and issues raised by students or faculty within any department, working towards timely resolutions and promoting a harmonious environment.

BEST PRACTICE 2

SIRT Student Ambassador Council (SSAC)
