

DEPARTMENTAL ACHIEVEMENTS

➤ **Department Academic Advisor Committee Meet @ ME Department**

Department Academic Advisory Committee (DAAC) meeting was held on **15/02/2025**. In this meeting All members were reviewed the Institute Vision, Mission, course outcomes of session 2024-25 (Odd and Even semester, PBL/Experiential learning, discussed about the internship of students and Industry expectations for students and an industrial expert, student's projects, experts suggested to department for working hard on students so that they can work on their projects to solve new problem in the field of Mechanical engineering

HoD sir presented the curriculum gap of last session and CO attainment, progress report of the department R&D and consultancy of 2024-2025. He is put the planning of National Conference, workshops and Intermeshes scheduled in upcoming months.

Dr. Anand Parey, Dr. Prashant Baredar, Mr. Ravi Ranjan Shrivastav, Alumni Mr. Nipendra Singh, Alumni Mr. Rohit Shakya, & students' Parents were present in this meeting.

VISION

To mould students into competitive Mechanical Engineering professionals to serve society and industry globally.

MISSION

1. To provide state of the art quality education to upgrade students skills.
2. To enhance learning and research with usage of IT modern tools.
3. To inculcate ethical moral and cultural values among students.

PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

PEO 1. Graduates will have fundamental and advanced knowledge of core courses and inter disciplinary engineering for developing effective computing solution by incorporating creative and logical reasoning.

PEO 2. Graduates will have capabilities to develop software, understand the technical specification, design and provide innovative solutions for society by diligence, team work and lifelong learning.

PEO 3. Graduate will have good communication skill, leadership skill, and ethical Values and time management.

PEO 4. Graduate will have the ability to get employed in industries or pursue higher studies or turn as researchers or entrepreneurs.

PROGRAM SPECIFIC OUTCOMES (PSOs)

Students will be able to :

PSO 1. Understand, analyze and develop computer programs in the areas related to algorithms, system software, multimedia, big data analytics and networking for efficient design of IT based systems including web & Mobile applications.

PSO 2. Use and apply current technical concepts and practices in the core Information Technologies to engage in life-long learning and Higher studies.

PSO 3. Work as individual or as a team with Social awareness & environmental wisdom along with ethical responsibility to lead a successful career as an Entrepreneur.
