**Subject:** Further accreditation status of the programmes in Tier II offered by Sagar Institute of Research & Technology, Ayodhya By Pass Road, Bhopal 462 041, Madhya Pradesh on the basis of Compliance Report.

Sir,

This is regarding Compliance Report submitted by Sagar Institute of Research & Technology, Ayodhya By Pass Road, Bhopal 462 041, Madhya Pradesh for the UG Engineering programmes provisionally accredited by NBA in Tier-II for academic years 2014-15 to 2016-17 whose validity has expired on 30.06.2017. The Compliance Report was considered by the concerned Committees in NBA and recommended a visit to the Institution for data verification of the programmes.

2. Accordingly, an Expert Team conducted data verification of the programmes on 15<sup>th</sup> April, 2018. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programmes as given in the table below:

Sl. No	Name of the Programme(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electrical & Electronics Engineering	Tier-II	Provisionally Accredited	Academic Years 2017-2018 to 2019-2020 i.e. upto 30-06-2020	Accreditation status granted is valid for the period indicated in Col.5 or till the programme has the approval of the competent authority, whichever is earlier
2.	Mechanical Engineering				

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programmes have been granted provisional accreditation. Sagar Institute of Research & Technology, Ayodhya By Pass Road, Bhopal 462 041, Madhya Pradesh should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the programmes as indicated in the above table does not imply that the accreditation has been granted to Sagar Institute of Research & Technology, Ayodhya By Pass Road, Bhopal 462 041, Madhya Pradesh as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is programme accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the programme(s) accredited, level of programme(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programmes is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programmes as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programmes as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of Report of the Visiting Team in respect of the above programmes is enclosed.
9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
